INVESTIGATORS, FACULTY, RESEARCH STAFF, STUDENTS:

What factors influence adults’ capacity to consent for research?

How is adults’ capacity to consent for research determined?

How good are our instruments and techniques?

What are investigator responsibilities in assessing capacity to consent?

How does an investigator identify an appropriate Legally Authorized Representative?

TO LEARN MORE—and to SHARE your experiences with others. . .COME TO THE FIRST IRB FORUM!

Adults’ Capacity to Consent in Research Settings

WHERE: Rose 358, Research Compliance Conference Room

WHEN? Friday January 27th 9:00-9:50 a.m. OR Tuesday January 31st 3:00-3:50 p.m.

RSVP: To Sharol Jacobson at 348-6749 OR sjacobson@fa.ua.edu by 1/23 (Friday session) or 1/26 (Tuesday session) to be sure we have a large enough room and enough handouts.
